

## **APHF Scholarship Application Frequently Asked Questions**

### ***When can I apply?***

You must be in your senior year of high school, or applying within two years of high school graduation.

### ***If I am not awarded a scholarship, can I apply the next year?***

Yes, as long as you apply within two years of high school graduation you can reapply for the next four years.

### ***If I am awarded a scholarship, is it renewable?***

Yes, scholarships may be renewed up to the equivalent of 8 semesters if you maintain a 3.0 GPA or higher and take at least 12 credit hours per semester.

### ***How long will it take me to fill out the application.***

It is not a bad idea to start on your application in October or November of the fall semester. Your information needs to be as complete as possible and the more information, the better. One of the requirements is to write up a "Education Plans and Goals" essay. Take some time on this, it is your one opportunity to really introduce yourself to the panel that grades the applications. But make sure that your essay is also compatible with the other information requested on the application. For example, don't talk about 4-H activities in your essay and leave it out in the "Outside APHA Activities" section of the application.

### ***When are the applications due?***

Applications must be postmarked by March 1 (faxes not acceptable) of the year in which the applicant wishes to receive the grant.

### ***Do I have to be an APHA member?***

Yes, you must be an APHA or AJPCHA member in good standing for three years.

### ***Do I have to show Paint horses?***

No, you do not have to show, but must be involved in horse activity using a Paint Horse or contributing actively to a Regional Club for at least one year prior to and at the time of application. APHA approved events include but are not limited to PAC; mounted shooting; and Dressage. The more things you do with your Paint horse the better.

### ***Who should I ask to complete the recommendation form for me?***

Look over the questions carefully to determine who will be able to answer the questions the best on your behalf. They are slighted more towards a schoolteacher or counselor. Make sure you stress the importance to them of completing the form and mailing it in before March 1st.

### ***What if there is not enough room on the application for my answers?***

It is fine to attach additional page(s) of information if there is not enough room on the form for your answers.

### ***When will I be notified if I am receiving a scholarship or not?***

You will be **notified by mail** whether or not you are receiving a scholarship the **second week in July**.

### ***I know the APHF offers several club and memorial scholarships. Do I have to apply for those separately?***

No, just complete the one application and you are automatically verified of eligibility for all scholarships available through the APHF. However most of the club scholarships require a membership in their Regional Club so be sure to verify your membership is current with them before you send in your application.
