Education I worked for BD (a pharmaceutical Company) for 40 years holding jobs in shipping and receiving, production but the major portion in the Quality department. I received my Associates Degree in 2009.....a huge milestone for me!

Honors/Awards I helped with several FDA audits of the production records for the products that we produced/assembled for the drug filling companies.

APHA/Paint Involvement My family has been involved in paints since 1972 when my parents bought their 1st paint gelding. They went on to be lifetime leading breeder of paint horses and are still on the list today.

Our 3 children all grew up in the APHA family and Courtney Lutjelusche, Mindy Kerwin and Nathan Dubsky were all named AJPHA Youth members of the Year. They also each hold AJPHA World and Reserve titles and continue on showing paints today.

I was a "horse show Mom" until 2004 when my girls got me a Novice Amateur Card. I enjoyed the challenge and in 2008 I was listed as 12th on the Amateur Masters Top Twenty. I have continued to show but can say I get a much bigger thrill seeing three of the grandchildren success in the Walk Trot and 13 & under divisions.

I have been a director and alternate for Nebraska and have attended APHA Convention and Workshops. Currently I am on the Youth Committee and looking very forward to this committee. I think the future of APHA depends on the youth of today and how to keep them interested in out colored partners.

I have also been president of the Nebraska Paint Horse Club from 2008-2014 and am presently on the board as a past president. I also served as youth advisor for several years.

Membership and Service Nebraska Paint Horse Club-served as president
