What is my real job? I am an employee owner and Group President of HDR Field Services. The firm specializes in engineering, architecture, environmental and construction services with more than 10,000 employees in 225 locations throughout the world.

Honors/Awards I have been active showing Paint horses in Arizona, Nevada, New Mexico, California, Texas, Utah and Oklahoma. Over the years I have shown locally, at the Zone 2 show, Paint shows all over Texas, Paint Congress and the World Show. I have also been fortunate to win several APHA World Champion and Honor Roll titles.

APHA/Paint Involvement APHA Director representing Arizona, 2015-2017, actively serving on the Breed Integrity and Registration Committee.
Attended Convention in Texas and Virginia.
APHC (AZ Paint Horse Club) President, 2014-2015.
APHC Vice President, 2013-2014
APHC Futurity Chairman, 2010-2016, during this time we grew the Open Futurities, Elite Futurities and SSA Futurities to over \$15,000.
I have truly enjoyed a well rounded amateur show career in Halter, Hunter Under Saddle, English Equitation, Western Pleasure, Horsemanship, Showmanship, Western Riding, Barrel Racing, Pole Bending and Stakes Race. We also own several broodmares that we breed ourselves, foal out and raise for Halter, English, Western and Speed Events.
Running a successful business; owning, breeding and showing in all the disciplines above; and being a part of running the local APHC club has given me a different perspective. I feel I can be non-bias and fair when looking at issues facing the American Paint Horse Association (APHA). I look forward to representing you as your Director for another term.

Other Horse Involvement I was raised with horses and started out with an ornery little spotted pony named Dynamite who taught me respect and how to be gritty. After school I

moved to Arizona where I reside today with my husband Randy and my two grown girls. I have been actively involved in the Arizona Paint Horse Club (APHC) for several years showing my horses and being active on the APHC Board.

I also am an avid Barrel Racer competing in the PRCA, NBHA, WPRA, and GCPRA.
