APHA/Paint Involvement Raise and show and promote Paint Horses since 1981. My breeding program has promoted, conformation, disposition and color. "Pretty Horses that Ride". Many of my horses stand in the top 10 at the world show level in many events. My horses are the true all around horse that have shown at the world in halter, pleasure, reining, barrels, poles, youth showmanship, horsemanship trail, and in other horse associations in Reining, working cow-horse, trail challenges, Rodeos and 4-H. Many of my mares are 5 generations for a steadfast breeding program. I breed the paint horse for color by crossing color with color to achieve a product that will produce color for many generations.
