

Megan Brown

Address 216 Guthrie Ave
Alexandria, VA 22305

Education Bachelor in Architecture, Auburn University
Masters in Historic Preservation, University of South Carolina

Honors/Awards Amateur and Novice World APHA Champion, multiple futurity, and Gelding Plus winner in Hunter Under Saddle.

APHA/Paint Involvement Lifetime Apha member as well as NSBA. Began showing paints as a youth at age 15. Now show in the Masters Amateur events. Served on the long range planning committee for four years and now serve on the youth committee. Have made a personal commitment to attend convention even though have not been a director and able to vote. This year have been appointed by the President as a national director and am interested in serving the state of VA where I have lived for 9 years and recently moved one of my Paints to.

Other Horse Involvement Have owned several quarter horses and competed with both them and Paints at the major NSBA shows and recently the QH Congress. As a youth grew up in 4-H and Pony Club. Have managed and built my own barn in SC and bred several Paint babies. Served as youth director for the SC Paint Club prior to moving to Fort Worth.

Membership and Service Though my career in historic preservation have assisted many nonprofit boards in strategic development and helped to build a series of statewide nonprofits across the country. Current serve on the board of the Assoc. of Preservation Technology and on the education committee of the DC Preservation League. As mentioned above have dedicated my own resources to participating in APHA and would like to see the role of State Clubs strengthened and work with the engagement of a diverse youth community.
