

## Breeders' Trust and Breeders' Futurity logo proper usage.

### Size:

Please use the logo as large as possible at all times please do not use smaller than .375" or 3/8".

### Color:

Do not alter or tamper with color.

When using a full color background do not use a white box behind the logo. These logo(s) are designed for saturated backgrounds as well as light colored or no color backgrounds.

Please do not use or leave a white box background behind the logo(s).

Please see sample of what is acceptable use of the logo(s).

We submit these logos with no background and should be used in this manner. If you need a special file type please let Anthony know and we will get you the proper file type for your convenience.

### Saturated background

### Light/no color background
