AMERICAN PAINT HORSE ASSOCIATION

2019 APHA Director Election Schedule

Section 3. Election of Directors

- A. The Association shall have approximately 110-120 elected directors.
- B. Representative Area. A Representative Area shall be defined as individual states, province, or countries which may be aligned geographically and/or based on membership at the sole discretion of the APHA Executive Committee. Directors from each Representative Area will be elected every **three (3) years** and shall hold office for that term or until their successors are elected and have taken office. If a representative area has no director nominations, an individual from outside the representative area may be nominated to represent that area.
- F. A Directors Nominating Committee, which must be comprised of elected Directors or Directors-at-Large, separate from the Nominating Committee for Officers and Executive Committee, shall be appointed by the President with input from Executive Committee members and other individuals deemed appropriate by the President and published as soon as possible after appointment by the president each election year.
1. Recommendations for nominations from Regional Clubs will be received by the Directors Nominating Committee. In addition, an individual may recommend him/herself for nomination upon submission of the signatures of five APHA current members in good standing (see Article II, Section 1) and residing in the same Representative Area evidencing endorsement of the recommendation. Nominees shall provide a resume about themselves to be made available to the Committee and voters. Failure to provide a resume will be grounds for removing the nominee from the ballot.
