AMERICAN PAINT HORSE ASSOCIATION

# NOTICE TO EXHIBITORS

Rule SC-175.G. states: “Geldings which are still listed as stallions according to APHA records at the time the show results are processed at the APHA office will be disqualified, but entries will not be lowered.”

If you are exhibiting a gelding and the papers have not been changed at the APHA office, be sure to forward the original registration papers and a statement indicating the horse was gelded as soon as the show is over, if not before. The statement must include month and year and the owner’s signature.

If the original registration papers and the statement indicating the date the horse was gelded are not received in the office prior to the show results being processed, your gelding will be disqualified and points will be lost.
