

Name	Brittany Siler
-------------	----------------

APHA Member ID Number	8822139
------------------------------	---------

Spouse's Name	Robert Siler
----------------------	--------------

Address (USA & Canada - please add state or province on 2nd address line)	22905 67TH AVE E FL BRADENTON 34211 United States
--	--

Email Address	qtrhorse96@hotmail.com
----------------------	------------------------

Phone Number	7276417332
---------------------	------------

Education	I am a graduate of St Petersburg College with an AA in business, as well as my AS in respiratory care.
------------------	--

Professional Employment	<p>I have been employed at Johns Hopkins All Children's Hospital as a registered respiratory therapist since 2012, with my main focus being the care of kids with cystic fibrosis.</p> <p>I have been a licensed mortgage broker in FL since 2016, and have been working with Edge Home Finance since 2020.</p>
--------------------------------	---

Non-Equine Honors and Recognition	I have been awarded the Applause recognition at Johns Hopkins All Children's Hospital several times by my peers and parents of my patients.
--	---

APHA Involvement	<p>I have been an active member with APHA, when I got back into showing, since 2013.</p> <p>My husband and I operate a small breeding and boarding operation in Bradenton, FL, where we raise all around APHA horses.</p> <p>Due to an injury our promising colt, The Good One, endured as a yearling, we will be venturing into another side of the industry as stallion owners in 2023.</p>
-------------------------	---

Other Horse Involvement

I have been serving on the Florida Paint Horse Club as club secretary since 2015. I also serve on the Florida Pinto Horse Association as vice president, a position I have held since 2017. Prior to becoming club vice president, I served as a board member since 2013.

I am also a member of the Florida Paint Horse Clubs show committee.

Memberships Held

I hold memberships with APHA, PtHA, AQHA and NSBA. I have previously held a membership with PHBA also.

Equine Awards

In 1988, at 12 years old, I won my first world championship at the AJQHA world show in youth trail. That year I also won the Florida Quarter Horse Association Princess contest, and was 2nd at the Quarter Horse Congress in youth trail.

Since then, I have won 4 PtHA world championships, and a reserve world championship in HUS.

I have raised several babies who are APHA ROM and superior winners, as well as Honor Roll horses.

Service & Experience

For the last 3 years, I have served as an APHA state director.

I served on the amateur committee for 4 years, and this year I am serving on the breed integrity committee, and also the genetic health sub-committee.

I have attended APHA conference for 4 years, missing this last year due to foaling season.

Why do you want to be and APHA State Director?

I have thoroughly enjoyed being an APHA state director and representing our membership for the last 3 years. To me, being a state director is a way to help educate others about the paint horse breed, be the voice of the membership, and to get others excited about APHA.

I also enjoy working together with other state directors, discussing and debating rule change proposals, being part of the process to help improve APHA for all members, and representing a breed that I am passionate about.
