This form must be notarized.

Instructions

If you cannot obtain the required signature and/or breeding report from the stallion owner required for foal registration, and you fulfilled all of your breeding obligations to them, submit the following along with your foal registration materials/fees:

1. Copy of breeder's contract.
 2. Copy of canceled check(s) showing payment of all breeding fees specified as well as all mare care.
 3. Breeder's Certificate Indemnity agreement completed and signed; a copy of your photo ID can be used in lieu of notarization.
- APHA MemberCare staff will review the submission with appropriate parties and attempt to contact the stallion owner for the missing material.
 - Note: If the stallion owner advises a dispute exists, then APHA will not register the foal through this alternative (despite your submission of DNA testing results or other items listed above).
 - This alternative primarily applies in situations where the stallion owner cannot be located or will not respond. If there is a dispute of any kind, it may not apply.
 - If this alternative does not apply in your situation, you may have a civil matter that must be resolved through whatever legal means at your disposal.
 - Your registration application, fees and photographs, if not already submitted, must be sent to APHA.
 - If you do not have one of the items listed above, please send a written letter of explanation as to why it cannot be submitted and/or submit any other documentation you may have instead.
