

Enrollment for Breeding

American Paint Horse Association

122 E. Exchange Ave., Suite 420 • Fort Worth, Texas 76164

apha.com

Select APHA services are available online at discounted rates. Scan or click the QR code to learn more.

Submit the following to declare your stallion or AQHA/Jockey Club mare for breeding purposes at APHA:

- Completed Enrollment for Breeding Form
- Copy of the horse's AQHA or Jockey Club registration certificate, showing pedigree and ownership (not required for Paint stallions)
- Breeding Enrollment fee
- The enrollment for breeding fee is a one-time fee incurred by the horse.
- Paint mares do not need to be enrolled for breeding.
- Ownership will reflect the current owner as shown on the registration certificate.
- If an AQHA or Jockey Club horse is sold, re-submit this form with a copy of the registration certificate so ownership can be updated.

Authorized Signers

- Only the signature(s) listed will be authorized to sign documents on the behalf of the individual or entity listed above. These signatures will be recorded as authorized agents for the horse listed only, and will remain valid until terminated by the recorded owner or the horse changes ownership. Signature in the ownership section does not mean authorization unless also listed in this section.

Ownership

- If the horse is owned by a ranch, partnership, or entity, print the name and address of all partners. Each partner must sign indicating they agree the persons listed are authorized to sign on their behalf.

Other Necessary Items

- **Stallion Breeding Report**-You must submit a Stallion Breeding Report each year you breed the stallion.(See rule RG 110). You may file your Stallion Breeding Report online at phcentral.com
- **DNA Genetic Testing-All breeding stallions must be DNA tested for genetic markers and must have 6-Panel Genetic Health Test results on file.** Color and Pattern Panel tests are also available. Broodmares must have their DNA genetic typing on file with APHA to complete foal parentage verification, required for registration. Testing can be ordered online. Private DNA testing might require a DNA recording fee or might not be accepted.

Membership

- Rates shown reflect those offered to current APHA members. Purchase or renew your APHA membership at this time.
- Fees are subject to change without notice.
- An office processing fee will be charged on all registration work not processed to completion.
- All fees required to complete the submitted work will be charged.
