

Megan Seehafer

**Address** 903 SW Blvd Apt M  
Jefferson City, MO 65109

**Education** I graduated from William Woods University with a BS in Accounting. I'm a CPA(Certified public accountant) and CIA(certified internal auditor). I've been a Federal auditor for 14 years and have been a senior auditor for the past 8 years.

**Honors/Awards** I passed the CPA exam in 2005 and passed the CIA exam in 2009. Throughout the years, I've also received several exceptional achievement awards as a result of my work.

**APHA/Paint Involvement** I've shown at APHA shows for over 20 years. I started showing paints in youth and have transitioned to the amateur division. I show at the regional level at least 1 weekend a month April-October and have been to the world show the last 3 out of 4 years.

**Other Horse Involvement** I show occasionally at the local open shows as time permits.

**Membership and Service** In the past, I've been on my State clubs board of directors and functioned as the treasurer for a few years. I've helped in other capacities at the shows-setting up trail, selecting and ordering awards, and running the gates.
