Education Education: I have been farming near the Gilead Nebraska area for the last 50 years. My wife Lori and I are owners of "Siebenneicher's Wagon Wheel Ranch" where we have a cow calf and dry land farm operation where we show and breed our own APHA horses. For the last 30 years I have been designing and creating computer system for the government and the private sector. I have been recognized and received numerous awards from my peers for my achievement in the computer industry.

Honors/Awards Showed Reserve World Champion Hunter under saddle and was 3rd at the APHA World Show in Halter. We also raised several World Champions, top 5 finishers in halter, showmanship, and western pleasure categories. We have won numerous State and National high point awards in Halter and all around disciplines.

APHA/Paint Involvement For the past 5 years I have been a Nebraska National Director Alternate and have been appointed by the President of the Nebraska club to be on the Zone 3 Board. I have been a co-chairman of the Nebraska Paint Horse Club Futurity.

Other Horse Involvement I have been involved in the Horse industry since 1960. I started my show career when I was 10 years old showing at the local open shows. At the age of 14, I started showing in 4-H until I turned 18. In the past I have also helped out at several of our local open shows.

Membership and Service Lifetime member of the APHA, and member of the Nebraska Paint Horse Club.
