Instructions

- Vitrified Embryo Transfer Application must be submitted before the intended transfer.
- The number of vitrified embryos and the embryo storage location must be placed on file with APHA by October 1 of the collection year or 30 days after vitrification (whichever occurs first).
- Before a resulting foal can be registered, its parentage must be verified by DNA genetic testing (sire, donor mare and foal). It is recommended that the donor mare be tested at the time of transfer.
- If more than one transfer is attempted and more than one stallion is used, please list additional stallions used.
- If more than three stallions were used, please attach additional stallion information.
- For additional information concerning APHA embryo transfer rules, see rule RG-120 in the *APHA Rule Book* or email the MemberCare department at askapha@apha.com or by fax at (817) 222-8458.
- A copy of the Embryo Transfer rule RG-120 is included for your information. Please be certain to review this rule.

Membership

- Membership must be held or purchase in exactly the same name as that under which the mare is owned at the time of transfer.
- Memberships begin in the same month application is postmarked.
- Fees subject to change without notice.
