

CHALLENGED HORSEMAN AND AMERICAN PAINTS PROGRAM COMPETITION FOR INDEPENDENT & SUPPORTED EXHIBITORS (CHAMPS)

GENERAL RULES. To provide show management with the option to include Challenged Horseman and American Paints Program (CHAMPS), APHA has adopted these rules and provided a points and awards system for participants. Further, as parent or legal guardian, they agree to indemnify and hold harmless APHA and show management from such liability to the minor.

SHOW APPROVAL. Show management applies for APHA-approval of these events on a voluntary basis and assumption of responsibility for safety by show management is required by APHA as an express condition for APHA to grant approval for these events.

- A.** CHAMPS classes may be held at APHA-approved shows, US Para-Equestrian events or can be stand-alone events.

AWARDS AND RECOGNITION. Points to be awarded in each class. Points will be awarded to horse/exhibitor combination with the points being recorded on both the horse and exhibitor's individual APHA records. - A.** Handlers shall stand quietly in a designated area, not obscuring the judge's line of vision, unless their assistance is required and requested by the judge or ring steward in the event of a safety issue. The handler may either take a position behind, beside or in front their respective exhibitor's horse or quietly walk forward and snap onto the horse's halter after the exhibitor's pattern is completed or the class has come in to line up.
- B.** A blind or deaf exhibitor may have an assistant who communicates via verbal or sign language or cue cards to the competitor so they may hear the judge's directives or pattern instructions. This assistant will be outside the ring and their position known to the judge and ring steward.

LEADERS AND SIDEWALKERS. The supported exhibitor must have a leader with a loose lead without a chain, attached to the halter in a manner that does not interfere with reining of the horse. The supported exhibitor may need the assistance of one or two side walkers. Once the class has started, unauthorized assistance from horse leaders, spotters and side walkers will result in penalties. Side walkers may not give verbal commands or extra physical prompting, except in case of emergency.

ARENA SET UP. Markers must be used and may be numbered or lettered. People shall not be used as markers.

PATTERNS. All patterns must be posted one hour before the class. It is recommended that one of the CHAMPS patterns(s) be used, however a judge in concert with the show management may utilize a different pattern in the showmanship at halter, walk-trot-canter hunt seat equitation and walk-jog-lope western horsemanship, trail and reining using the acceptable maneuvers or obstacles.

GO ROUNDS OR SPLITS. Classes may be split at the discretion of show management. If go rounds are necessary, in the interest of successful implementation of the approved show, the number of go-rounds to be held and the number of horses to be shown at each go round should be based on safety and/or physical constraints of show premises when applied fairly and uniformly by a procedure in which all qualified entries are included in a random draw. When necessary to split large classes by running more than one go-round, finalists must rework the specified class requirements EXCEPT any scored class.

JUDGING THE CHALLENGED HORSEMAN SUPPORTED EXHIBITOR.

- A.** Classes shall follow these guidelines:
 - a. Reversing only at the walk and omitting all extended gaits.
 - b. Horses should be backed in the line-up, not on the rail.
 - c. Horses should be worked for the amount of time necessary to evaluate each gait in each direction, taking into account the stress on the exhibitor and/or leader-side-walkers. The judge could chose to have the horse(s) walk briefly before resuming the jog/trot and completing the judging.
 - d. The horses in the CHAMPS supported classes are judged doing their jobs in spite of the challenges that may be presented due to the type of support or adaptive equipment that is required.
 - e. Neither the amount of support and type of CHAMPS acceptable adaptive equipment nor the unique characteristics of a specific exhibitor's disability should enter into the judging criteria.

- C. The following are allowances made for all CHAMPS Reining classes only:**
 - a. Exhibitors are allowed to choose the size and speed of the circles. Excessive speed will result in a maneuver deduction.
 - b. **Lead Changes.** Simple lead changes are allowed and the ideal change is to jog for one stride to change leads. Any deviation from the ideal change that takes place in the lead change area as described by the rulebook would not incur a penalty but deserves less credit. In order of decreasing difficulty would be jogging more than one stride, walking rather than jogging, stopping during the change and finally more than one attempt to execute the change. Penalties

would apply if the lead change was early or late just as they would for a flying lead change.

- c. Judges should allow one-quarter circle coming into the change and one-quarter circle going past the change as an allowable simple change area (safe zone), with only the out of lead penalties applying. For example, a horse that comes across and takes 3 strides past “center” to complete the simple change, but before the end of the first quarter, would not get a break of gait penalty but would incur a one point out of lead penalty. The same logic would apply for changes before reaching center. All penalty applications would apply out of that “safe zone.”
- d. **Break of Gait.** Simple lead changes are allowed therefore, no break of gait penalty should be applied during the lead change. CHAMPS classes may use altered patterns and if simple lead changes are specified, no break of gait penalty should be applied during the lead changes.
