**Other Horse Involvement** We did 4H in the beginning. Showed in Palomino for several before joining the APHA. Show dad for many years. Thousands of hours of working the shows. Began to show myself in 2012. Loved showing but it is much safer in the stands. Less stressful too.

**Membership and Service** I am a Show Dad. I became involved in the politics of the TPHC after nearly 10 years of sitting in the stands and working the shows. I wanted to be an advocate for the exhibitors, mainly the youth. I own a business and felt catering to the exhibitors and giving them great horse shows was the best way to grow the club. I am proud to be a part of a group of people who came together to fix a broken club. TPHC turned around and our shows became some the best in the nation. No longer a show dad, she grew up, but I want to get involved again and feel like I could be an asset to APHA.
