<b>Education</b>	Graduate of Wichita State University with an MBA. Have successfully completed show management training with AQHA and NRHA and utilize those skills at APHA events.
<b>Honors/Awards</b>	Have been fortunate enough to participate in the APHA World Show and to watch my children succeed in that venue. At the present time, am doing more breeding than showing, leaving that to other members of my family.
<b>APHA/Paint Involvement</b>	My family and I have been active showing and raising Paint horses for over 25 years. I have been involved in behind the scenes with APHA shows for about 20 years, people normally see me in the show office. This year am lucky enough to help with APHA shows five states, including the Paint Horse Congress. This provides me the opportunity to meet people who really appreciate Paint Horses and share their enthusiasm for our breed.
<b>Other Horse Involvement</b>	Work with horse events for other equine associations - AQHA, ABRA, PtHA, NRHA and NSBA. This provide me the opportunity to see what is impacting the industry as a whole and likely to impact our organization.
<b>Membership and Service</b>	Have served on the APHA Show and Contest Committee for the past three years. Over the past 25 years, have served on the KPHA board and Kansas 4H Horse Committee. In my current capacity, I attend several different state association board meetings and offer input on shows and competition.
