### **Education & Business Experience**

- **Education:**

Trained as a research associate and have been working in the research field for over 10 years with main focus on cancer research. Currently I`m working for a biotechnology company in Allschwil, Switzerland.

### **APHA/Horse Involvement, Membership and Service**

- **APHA/Paint Involvement**

I own a paint horse that I am currently showing in Open, Amateur & Novice Amateur classes at different shows across Europe. I`m a member of the Swiss Paint Horse Association Board since 2016, where I am responsible for PR and Futurity matters.

- **Membership and Service**

I`m an APHA member since 2015 and I`ve just started managing APHA shows in 2019 and am looking forward to organizing future shows.
