Numerous Top Ten Honor Rolls (Youth and Amateur) 2000-Present Numerous Top Ten Finishes at AjPHA World Show (1998-2002) Numerous Top Ten Amateur Finishes at APHA World Show Numerous Top 5 Amateur Finishes in Zone 3
<b>APHA/Paint Involvement</b>	My family first became involved with APHA in 1974. Growing up, attending paint horse shows was a way of life for me, since my family was so heavily involved with APHA. I began showing APHA as a youth in 1988 and have been passionate about Paint Horses ever since. I served as an AjPHA National Director and showed horses extensively throughout the United States as a youth.

As an adult my love of Paint Horses only grew stronger. I'm a very active Amateur Exhibitor who loves showing in a large variety of classes and a small paint horse breeder, owning three broodmares of my own. I have also been very involved with volunteering at Regional Club Shows and love having a working understanding of committees, regional clubs and donating to support the future of APHA locally and nationally.

I began my time as a National Director serving on the Amateur Committee. I valued that experience but I wanted to learn more so I requested to join the Long-Range Planning Committee to help shape the future of APHA. There, I have been involved with several Rule Change Proposals, the revisions to the current Breeders Trust program that APHA offers and writing the current rule on PATH instructors being eligible for Amateur status.

I have a life-long commitment to APHA. With my first paycheck of my professional career as a Registered Nurse, I purchased my lifetime APHA membership, because I knew I would be dedicated to this Association for life. I have enjoyed my previous 8 years as a National Director and would like to continue to serve as a Director for many years to come.

---
