

Name	Sue Painter
Spouse's Name	Rob Painter
Address	Olde Walnut Tree Farm Pristow Green Lane, Tibenham, UK Norwich, TX 76137
Education	<p>I have a passion for equine genetics and have a certificate from Dr Jim & Linda McCall (2003)</p> <p>I was one of the founding directors of UK Paint Horse Association from 2001 until 2018</p> <p>I am a director of Design & Delivery Solutions Limited, which provides specialist consultancy services.</p> <p>I have over 40 years experience in the equestrian industry. I have run large equine establishments and now run my own stud. Through my breeding programme I have helped grow the quality of the Paint breed in the UK Equine industry.</p>
Honors/Awards	<p>My biggest Paint honour was to stand in the ring at the Paint World Show in 2005 with Lynn Fisher and StraitGunsmokNSugar when he received his World Championship Award.</p> <p>I was asked to receive a special Buckle in the John Justin Arena, presented to International Club Presidents</p>
APHA/Paint Involvement	<p>With my husband, Rob Painter, and other enthusiasts we founded the UK Paint Horse Association in November 2001. I have been Director, and President of UK PHA until 2017, and I have been an APHA Director since 2001.</p> <p>I am a fairly regular attendee of the International Committee, I have a bad back so transatlantic travel is a challenge, but I have joined the majority of the on-line meetings this year.</p>

Other Horse Involvement

I have competed in both English and Western disciplines since I was a teenager. I still show my paints as an ambassador of the breed.

When establishing the Paint horse in the UK I presented at English judges seminars on the Paint Horse Confirmation and colour aspects of the breed to help them be able to fairly Judge a Paint within a Confirmation class.

Membership and Service

I have been a member since the late 1990s and served as an APHA director from around 2001
