Cone A across to Camera, and Cone B across to Camera: Approx. 55ft. (*Measurements are merely guidelines to help you while setting your pattern*)

Exhibitors must have either a person to serve as the inspection judge or have the camera operator walk for inspection while keeping the exhibitor's positioning in frame at all times. If using a separate inspection judge, they should remain behind the camera before and after inspection. When it is time for inspection, the judge should walk around the horse counter-clockwise.
