

Barrel Racing (3 barrels and 2 cones needed)

PAC World Championship E-Show

Barrels should be placed in the cloverleaf pattern. Barrels 1 and 2 should be placed 45ft apart and should each be 60ft from barrel 3. The start/finish line should be marked with cones and be placed 15ft from barrels 1 and 2. Horse must be in frame from start to finish and can run pattern in either direction. Timer should stand at the left side of the start/finish line with a stopwatch or timer phone app. Time must be shown on screen during the whole run and must start and stop as the horse's nose crosses the start/finish line. A five second penalty will be assessed for each barrel knocked over.
