

2021 PSBA AMERICAN PAINT CLASSIC FUTURITY RACE CONDITIONS

Added Money and Conditions Subject to OHRC Approval

1. ELIGIBLE HORSES. Only paint foals (solids are eligible) of 2019 which are registered with The American Paint Horse Association, sired by Member Sires of 2018, which are owned or nominated by owners accepting and agreeing to the special terms of Paragraph 2 Substance Testing, are the only horses eligible to enter the race. If one or more nominations are withdrawn prior to the running of the trials, it is the owner's responsibility to specify which horses are being withdrawn and which horses are to remain eligible when making payments. Either copy of the registration certificate or the application for registration must be provided by the owner/nominator no later than the due date for the January payment if the horse remains eligible.

2. SUBSTANCE TESTING. In addition to the pre-entry hair testing requirement by Remington Park, every entry for the trials in this race will be required to have a negative hair test for prohibited substances in accordance with the same pre-entry hair test requirements implemented by Remington Park that was collected within 45 days of the trials for this race. Additionally, the owner of the TOP 15 qualifiers for this race, based on trial times, agree that they MAY be required to provide a negative hair test for prohibited substances, in accordance with the same pre-entry hair test requirements implemented by Remington Park, after the trials and before the final for this race. A positive report for any prohibited substance will result in loss of eligibility to participate in trials or finals as determined by OHRC stewards.

By submitting a signed nomination form for this race, the undersigned, by or on behalf of the owner of the nominated horse, the owner's agents and representatives, the owner's heirs and assigns (including any future owner of the nominated horse) agrees to be subject to and abide by the results of the initial (commonly referred to as the "sample A test") hair testing of the nominated horse and voluntarily and irrevocably waives the following:

- c. Any and all rights to contest, under any circumstances or grounds, the results of the initial test or the resulting denial of entry in the race, whether a qualifying race or final race,
- d. Any and all rights to challenge the results of the initial test or resulting denial of entry in the race, whether a qualifying race or final race, directly or indirectly, before any court or other tribunal; and
- e. By their entry into the race, all participants irrevocably waive any legal claim they might have against OQHRA, its officers, executive committee members, employees, or race sponsor arising from or related to the hair testing which is the subject of this paragraph.
- f. A report of the result of an un-official test submitted as a requirement of eligibility for entry is not admissible for any purpose in any OHRC proceeding arising from a positive report of an official test administered by OHRC.

Test results will be reported to the host track officials and notification of positives will be sent to the owner and trainer of the nominated horse. The race sponsor will send a list to the racing office of the host racetrack for the specific race(s) to notify them of horses that are eligible to enter races based on the results of hair tests.

5. LATE NOMINATIONS AND SUPPLEMENTS. Double payments missed to date until the March payment for late nominations. Supplemental payments at time of entry of \$4,500 must be paid to the Horsemen's Bookkeeper at Remington Park. 7. TIME TRIALS. In the event there are fewer than 16 trials all trials may run on one day. In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in time trials will be determined only to the limit of the timer, the only exception is when two or more horses have the same exact time in the same trial heat. Then the order of finish shall also determine the preference in qualifying or the finals. Except in the case of a disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish. Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one hundredth (1/100) of a second, or to the maximum accuracy of the electronic timing device. No adjustments shall be made in the times recorded in the time trials to account for head wind, tail wind, off-track, etc. In the event of a timer malfunction of a trial race, the Stewards will use the technological aide of video frame by frame analysis to assign times to each participating horse in that trial. Every qualifier eligible to enter the final will be required to remain on the grounds and stabled in the barn area of the racetrack after the trials and until the running of the final.

8. FINALS. The finalists for the Futurity will be determined by taking the ten (10) fastest times from all the trials. If the number of time trial entries is sufficient as to cause the track to schedule two days of time trials, the five fastest qualifiers from each day will advance to the final. Every qualifier eligible to enter the final will be required to remain on the grounds and stabled in the barn area of the racetrack after the trials and until the running of the final. **In addition to the pre-entry hair testing, the fastest 15 qualifiers for the 2021 Futurity based on trial times will be required to comply with collection of another hair sample which will be collected and tested after the trials and prior to entry for the final. Any horse failing to produce a clean hair test free of prohibited substances will not be eligible to enter the Final regardless of the qualifying time.**

The finals will consist of a field of no more than ten (10) horses, except in the event (12) or fewer horses enter the trials. In the event twelve (12) or fewer horses are eligible prior to the trials, there will be no trials however eligible horses must enter on date for entry to trials to be eligible to run in the final. Race Sponsor and the Racing Secretary may determine that in the event not more than 12 horses are eligible to enter trials, there may be no trials and a 12 horse gate may be used for the finals with the 11th and 12th place horses receiving no money.

9. TIES. In the event that all trials are conducted on one day and a tie for the 10th fastest time occurs, 11 horses will be allowed to run in the final. If more than two horses are tied for 10th place, the final two positions will be determined by lot. In the event the trials are ran over two days and a tie occurs for the 5th fastest time on one day, the same rule would apply. If an 11-horse field is ran in the finals the purse will be adjusted accordingly. No more than 11 horses will run in the final if trials were conducted.

10. SCRATCHES. If a horse is ruled ineligible by the stewards or the Oklahoma Horse Racing Commission for entry into either the trials or the final or if the stewards scratch or disqualify a horse from either a trial or the final described herein for a rule violation, such horse may be ineligible for receipt of any purse money. After the entry date for the finals, the purse money that might have been due to such horse will be divided proportionately (based on purse percentages) among the other starters in such race. If, after the entry date for such race, one or more horses are withdrawn from the final for any reason other than ineligibility or a rule violation, the purse monies (in inverse order of finish) equal to the number of withdrawn horses for such race will be distributed equally to the owners of the horses withdrawn from such final. If, prior to the entry date for the final a horse is ruled ineligible for the final as provided above, the next eligible horse may be entered in such race.

11. CHANGE OF ADDRESS. The owner of a horse nominated to the race is responsible for notifying race sponsor of the sale of a horse nominated to the race or of a change in the owner's address.

12. RACE DATES. The race sponsor reserves the right to reschedule, postpone, revise the conditions for, or cancel the race for any reason that it deems sufficient. Any nomination to the race may be refused without liability by the race sponsor for any reason at any time prior to the actual running of the final race. If the race is canceled, all nominating and sustaining payments theretofore paid, less the amounts deducted for advertising, accounting, and administrative expenses, will be refunded.
