

2020 AZ State Virtual 4-H Horse Show

Western Reining Pattern

Arena does not have to be full sized; fit pattern to the size you have available.

1. Start on the Short side of the arena.
2. Walk to the center and perform a 90 degree turn to the left (face away from the camera). Hesitate.
3. Perform 2 spins to the left. Hesitate. Perform 2 spins to the right. Hesitate.
4. Pick up the left lead and perform a large fast circle to the left. Change leads in the center of the arena.
5. On the right lead perform a small slow circle to the right then continue on to the outside of the arena.
6. Come down the right side of the camera side of the arena and perform a rollback towards the bottom of the arena.
7. Continue around to the other side and perform a rollback towards the bottom of the arena.
8. Perform a sliding stop in the center of the arena and back 10 steps. Hesitate.

No dropping of bridles or dismounting
