

Video Specifications for E-Shows Ranch Cow Work (Box/Drive/Box/Drive) classes are as follows:

Camera should be centered on the side of the arena (either side) across from a center line marker on the fence. Horse and cow should both stay in the frame of the video the entire 1 1/2 minute time or until the cow has crossed the center line on the last drive and the run is complete. Ranch Cow Work will be judged in accordance with APHA judging rules.
