

## 2022 APHA State Director Election Schedule

Selected sections of Article VI, Section 6.1 – State Directors

The Association shall have approximately 110-120 elected State Directors.

- A. Representative Area. A Representative Area shall be defined as individual states, zones, province, or countries which may be aligned geographically and/or based on membership at the sole discretion of the APHA Board of Directors. State Directors from each Representative Area will be elected every three (3) years and shall hold office for that term or until their successors are elected and have taken office. If a representative area has no State Director nominations, an individual from outside the representative area may be nominated to represent that area.
- B. State Director reallocation shall be made annually as of June 30 of the year immediately preceding the election year. Each member in good standing, defined as a member currently free of disciplinary restrictions, (see Article II, Section 2.1) whose membership is valid by September 1 of the year the election is conducted, shall receive notice for their representative Area of the State Director election and shall be entitled to vote.
- E. A State Directors Nominating Committee, which must be comprised of elected State Directors or State Directors-at-Large, separate from the Nominating Committee for Officers, shall be appointed by the President with input from other individuals deemed appropriate by the President and published as soon as possible after appointment by the president each election year.
  - a. Recommendations for nominations from Regional Associations/Clubs will be received by the State Directors Nominating Committee. In addition, an individual may recommend him/herself for nomination upon submission of the signatures of five APHA current members in good standing (see Article II, Section 2.2) and residing in the same Representative Area evidencing endorsement of the recommendation. Nominees shall provide a resume about themselves to be made available to the committee and voters. Failure to provide a resume will be grounds for removing the nominee from the ballot.
