APHA Involvement	I joined APHA as a youth member in 1993. As a youth I participated in the Youth Team Tournament and showed in speed and cattle events. Through my college years my mother and I bred registered Paint horses. I returned to showing in APHA thanks to the addition of the ranch horse classes. My return to showing allowed me the opportunity to support our youth through scholarship sponsorship, horse donation for the Youth World Games, and volunteering with the World Show Youth Judging Contest. I also became active at our annual convention as a proponent of the ranch horse classes and Novice Amateur division.
Other Horse Involvement	Chisholm Challenge volunteer
Memberships Held	APHA, AQHA, NSBA

Why do you want to be and APHA State Director?

I have a desire to further our association, to grow and retain membership, through positive and welcoming interactions with Paint Horse owners, exhibitors, and enthusiasts. I want to help support decisions that will ensure the future of APHA is successful.
