| Name | Cooper Todd Evans |
| Spouse's Name | Trevor Rackham |
| Address (USA & Canada - please add state or province on 2nd address line) | 13304 s Herriman Rose Blvd Herriman , UT 84096 |
| Education | I attended North West College on a rodeo scholarship (calf roping and team roping) where I competed with American Paint Horses. I studied animal science, phycology and competed on the judging team where I was Reserve Champion at the judging contest put on by APHA |
| Non-Equine Honors and Recognition | After starting my business (Star Performance Horses) in 2011 I have trained and coached 132 Apha and PthA World and Res World Champions in a range of age divisions and disciplines. I have had the privilege of riding/coaching multiple Top 20 honor roll horses and riders as well |
| APHA Involvement | I have grown up with American Paint Horses my entire life. My grandparents on both sides were breeders and competed. They passed the love of talented, versatile and flashy horses onto me. I started showing and competing in rodeos at a very young age, because of the versatility that the American Paint Horse possesses we choose to use them on my families ranch near Cody, Wyoming to work cattle. After going to college I moved to Texas with the goal of one day owning a training and breeding operation of my own. I had the amazing opportunity to work with Highpoint Performance Horses, Simons Show Horses and Elite Show Horses. I now reside in Herriman, Utah where I train, show, and breed American Paint Horses |
| Other Horse Involvement | I would like to one day soon test and become approved for my APHA judges card. In the attempt to prepare myself I judge local 4-H and open shows. |
