---

**Service & Experience**

-Appointed by President Alison Umberger as a State Director in 2021, and by President Melanie Cox-Dayhuff in 2022. Both terms are serving on the Amateur Advisory Committee.  
- Also currently serving on the Ownership Subcommittee jointly organized by the Youth & Amateur Committees.

---

**Why do you want to be and APHA State Director?**

I have enjoyed having a more significant role within the leadership side of APHA after being an owner and exhibitor for most of my life. I feel like I owe a lot to this association that has provided so much to me. It is an honor to have been nominated by two different APHA presidents to serve as a State Director, but I also want to try my hand at the formal process. After that, my next goal is to serve as a committee chairman and see where that takes me!
