<b>Why do you want to be and APHA State Director?</b>	I hope as a State director I will be able to bring more awareness to the smaller local clubs, in order to help them maintain a consistent and strong membership. I hope to be able to be a bridge between the smaller clubs and our much larger parent organization. I am open to discussions and suggestions in order to benefit everyone. I hope to continue to be a positive influence on local clubs and the organization in order to better them for the future and for my children.
