Education	After finishing high school with a diploma in arts and history of arts, I was trained as industrial mechanic, specializing in machine and systems technology.
Professional Employment	Worked for 15 years in mechanical engineering before switching tracks to quality assurance & production management. Now working as production planning technician in the division support department for a Swiss based company. My primary areas of responsibility are supporting our U.S. division with the manufacturing system and maintaining the global non-conformity processes of our production system. Besides my daytime job I run a little business of my own, offering services around western horse shows like consultation, show office, show management, scribe, etc..
Non-Equine Honors and Recognition	-
APHA Involvement	My family currently owns 5 Paint Horses. I show some of them in Open, Amateur & Novice Amateur with titles at the European, German and Bavarian Championships. Serving on the Paint Horse Club Germany Board of Directors as director representing Bavaria since 2006.
Other Horse Involvement	Show Secretary for AQHA shows like European Championships of American Quarter Horses in 2014 or Spring Roundup Langenau in 2019. Involved in various shows of NRHA, Swiss PH Association, Swiss QHA, etc. Approved as AQHA Show Manager in 2018.

Service & Experience

An APHA member since 2006 (since 2008 lifetime), I've been involved in Show Management since 2008, being Show Secretary of Euro Paint in 2009, 2010, 2012 & 2013. APHA State Director for Germany/Poland since 2015. Member of International Advisory Committee since joining the State Directors in 2015. The last two years I also served on the Show & Contest Advisory Committee.

Why do you want to be and APHA State Director?

Being a State Director with APHA has taught me a lot about the association, which I am able to give forward to the members of our area. And our members appreciate having someone to talk to and who represents their interests within APHA. It is a great joy to help our members and I'd like to continue in helping with the exchange between our members and APHA.
