Stall Assignment Process

- Stall assignments will be prioritized in the following order: 1) Halter Million / APHA World Show sponsorship level and date paid; 2) date received. Specific aisle ways/stalls are never guaranteed.
- All stall reservations and payments must be submitted on this form via email, fax or mailed postmarked or received in the APHA office by September 1, 2023, in order to avoid late fees. Stall additions after the deadline will not be guaranteed location regardless of sponsorship level.
- Sponsorship forms and payment must be received by September 1, 2023 in order to receive stall and RV priority benefits included in the sponsorship packages. Note: Priority within each sponsorship level is based on date sponsorship payment is received, so the sooner it is received by the APHA, the better opportunity for receiving preferred placement. The individual cost of the stalls is in addition to the sponsorship amount. Individual stall reservation forms detailing horse information and tack stalls, etc. must be submitted in addition to the sponsorship form by September 1, 2023.
- See stall information in the premium book for complete guidelines.
- **If you wish to be stalled with someone, reservations must be received together.** There is a payment form for you to breakdown payments. Payment must accompany Stall Reservation Form. Forms received without payment will not be accepted.
