I live in Vero Beach, Florida with my husband of 43 years, Tom. Tom is a farrier who specializes in quarter crack repair. Our daughter, Shannon and her husband Chris, own and operate Holbin Show Horses, where they train horses specializing in pleasure, trail and western riding. In 1999 Shannon was the APHA number one youth in the nation.

In 2007 I received my APHA judges card. I also hold cards with the following breeds: AQHA, NSBA, PTHA, APHC, PHBA, POAC, ABRA, AMHA, AND AMHR. My judging career started over 40 years ago when I was in 4-H and I have loved it ever since. I have judged world shows for all the breeds I am carded with and been privileged to travel around the world judging great horses and meeting fellow horsemen.

I have been on the APHA Judges Committee for the last 2 years and have enjoyed my experience on this committee. While on the Judges Committee, I have attended all meetings and have been on the official panel for the judge applicants testing both years. This year, I was appointed a State Director and am looking forward to fulfilling the duties and attending the National Convention in March.

Prior to being appointed to the Judges Committee, I really didn't have any "political" involvement with the APHA and am now excited to be fully involved in the association, not just the horse show part.

I look forward to what the coming years will bring and hope you allow me to play a bigger part in the American Paint Horse Association.
