Required Health Documents

To comply with state animal health regulations and to ensure the health of your horse, the following requirements will be strictly enforced for all horses at the APHA World Show.

- **Check-in will be conducted from June 20 through July 7 in the Show Office.** All horses must have their health certificates and Coggins papers checked. Electronic copies are accepted.
- All horses must have a:
 1. Negative Coggins (Equine Infectious Anemia) dated no earlier than July 7, 2023.
 2. Health certificate issued no earlier than June 7, 2024, by a licensed veterinarian from the state of origin.
- These documents will be checked upon arrival at the show office or stall office.

Make sure the veterinarian uses registered names on the health and Coggins certificates rather than “barn names.” If current Coggins, health papers and/or a copy of the original Certificate of Registration are not available, the horse will not be allowed to compete and entry fees will be forfeited. All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease.

Transfer/Lease Policy

Youth World Championship Classes

All horses entered in Youth World Championship classes must be owned/leased by the youth exhibitor or an eligible family member per Rule YP-015 as recorded by APHA by the pre-entry deadline May 15 to be eligible for Youth World Show scholarships. Youth or eligible family members who own/lease their horses after the May 15 postmark deadline (as recorded by APHA), but by 5 p.m. the day prior to the class in which they are competing are eligible to compete for Youth World Show titles and awards, but will not be eligible to earn scholarship money.

Amateur World Championship Classes

All horses entered in Amateur World Championship classes must be owned/leased by the amateur exhibitor or an eligible family member as recorded by APHA by 5 p.m. the day prior to the class in which the horse is to be exhibited in their respective classes.

Transfer/Lease of Horses at the Show: *During the show, transfer/leasing of horses competing in the show may be completed for Open, Amateur and Youth classes.*

The following regulations must be met:

- *All transfer/lease transactions must be submitted to the APHA MemberCare booth located in the Show Office in the Richardson-Bass Building.*
- *All transfer/lease transactions must be completed by 5 p.m. the day prior to the class in which the horse is to be exhibited in the new owner's/lessee's name.*
- *Show Management will not recognize transfers/leases of show horses that are completed at the APHA home office during the World Show.*
- *Note: Per Rule YP-020.C and AM-025.C for the purpose of tabulating all youth and amateur titles and awards, in the event a horse is sold or leased to any party other than related family as specified in Rules YP-020 and AM-020, any points earned are not transferable and a new start in acquiring points must be made by the new owner/lessee.*

APHA Mission Statement

To promote, preserve and provide meaningful experiences with Paint Horses.

APHA Animal Welfare Statement

APHA is committed to the humane and proper treatment of all animals. In this respect:

- The welfare of the animal is the primary consideration in all activities.
- Animals will be treated with kindness, respect and compassion at all times.
- Responsible care will be used by all parties in handling, treatment and transportation of animals.
- Horsemen and -women, as owners, exhibitors or trainers, will ensure the health and well-being of animals in their care at all times.
- The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted animal husbandry standards and equine care, training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

Based on these principles, the Association has developed and enforces strict rules to ensure ethical competition and humane treatment of American Paint Horses.

The Association supports the development of procedures that assure equity, fairness, safety, health and welfare for all participants.

Because the Association is strongly opposed to animal abuse, any member convicted in a court of law of cruelty to animals may be suspended from APHA when certified evidence is presented to the Board of Directors. Further, APHA reserves the right to excuse from further competition and/or remove from the grounds any person who fails to abide by this animal welfare statement and/or any animal whose welfare is under question by APHA.

Sportsmanship Rules

"For when the One Great Scorer comes to mark against your name, he writes—not that you won or lost—but how you played the game."
(Grantland Rice)

One of the primary objectives of the American Paint Horse Association is to encourage high moral character and good sportsmanship among its members while at the same time inspiring exemplary conduct in all phases of competition and instilling a sense of fairness and responsibility for the rigors of showmanship as well as the greater issues of life.

Negative conduct, including harassment, bullying, or any other form of unsportsmanlike conduct will not be permitted by the APHA, and any person engaging in such action or conduct will be disciplined to the full extent permitted by the APHA rules. Unsportsmanlike or irresponsible conduct or any other form of misconduct that is illegal, indecent, profane, intimidating, threatening, harassing or abusive is prohibited. The APHA will not tolerate such behavior and violators will be excused from competition and/or removed from the show grounds and are subject to further disciplinary action.

Anti-Bullying Statement

Everyone has the right to work and show in an environment free from harassment or bullying where they feel safe. The stress placed on targets of bullying have far reaching effects on the emotional health and well being of the victims and on the organization in which it occurs. Bullying can be physical, verbal, written, cyber acts or merely psychological. Incitement of others to such acts is also bullying. **THE APHA EXPRESSLY PROHIBITS THE BULLYING OF ANY PERSON BY ANY MEANS AT ANY APHA FUNCTION OR APHA RELATED FUNCTION.**

Good Sportsmanship Rules

Good sportsmanship is about playing by the rules, discipline, respect and self-control. Good sportsmanship is not just what you do in the arena, but the way you conduct yourself both in and out of the arena.

1. The "Golden Rule" – Do unto others as you would have others do unto you. Show respect for your opponents if you expect it yourself.
2. Have an understanding and an appreciation of the rules. The spirit of good sportsmanship depends on conforming to the intent of the rules.
3. Enjoy yourself and encourage enjoyment for others.
4. Take responsibility for your actions.
5. Recognize and appreciate good performances, especially by the opponent.
6. Respect the integrity and judgment of the judges and show officials.
7. Expect proper behavior from your teammates, trainers, family and friends.
8. Accept both victory and defeat with pride and compassion.

- Logbook & Interview

The APHA Youth Two-Year-Old Futurity Project consists of the following classes:

- Walk-Trot Trail
- Walk-Trot Rail
- Walk-Trot Pattern
- Logbook & Interview

Horses may be shown as pleasure-, hunter-, or ranch-type in any of these classes, and the riders/handlers are expected to dress to that type. The emphasis in all classes will prioritize training and horsemanship over movement. Participants must adhere to APHA Legal Tack & Attire specific to their chosen discipline for each class. Scoring will align with APHA rules for each respective class, with additional rules specified in each class description. Furthermore, all classes will undergo judging in accordance with applicable APHA rules for Novice/Walk-Trot classes, encompassing disqualifications, OPs, and so forth.

YEARLING PROJECT

Showmanship - To be judged in accordance with APHA Showmanship rules with the exception that hunt-seat attire may be worn. The horse should be expected to perform a walk, trot, straight back, 90-degree turn and 180-degree turn.

Yearling In-Hand Trail - To be judged in accordance with APHA In-Hand Trail rules. Maneuvers may include walk and/or trot over poles, bridge, tarp, work gate, back L, turn-in box, yield front and/or hind end, stand ground tied, pick up hooves, stand for fly spray, etc.

Yearling Longe Line - To be judged in accordance with APHA Longe Line rules with the following exceptions: Conformation will not be counted but horses will still be tracked and judged for soundness. Presentation score will replace the conformation score based on 0-5. Emphasis shall be placed on rewarding training, responsiveness, safety and willingness. Movement should be secondary.

TWO-YEAR-OLD PROJECT

Walk-Trot Rail - To be judged in accordance with APHA rulebook for Walk-Trot Hunter Under Saddle, Western Pleasure, and Ranch Rail Pleasure. Exhibitors will ride together in the pen. Western Pleasure, Hunter Under Saddle, and Ranch Rail Pleasure types are all acceptable, but tack and attire must clearly suit the discipline. All exhibitors will be asked to walk, jog or trot, and extend the jog or trot each way, plus a reverse, stop, and back. Exhibitors should be judged on the responsiveness, willingness, and manners of their horse with movement secondary.

Walk-Trot Pattern - To be judged in accordance with APHA rulebook for Walk-Trot Hunt Seat Equitation and Western Horsemanship. Exhibitors will ride the pattern individually. Western Horsemanship, Hunt Seat Equitation, and Ranch Riding types are all acceptable, but tack and attire must clearly suit the discipline. Maneuvers that may be called for include walk, jog or trot, extended jog or trot, stop, back, turn (forehand if in English tack, haunches if in western), and sidepass. All exhibitors will complete the same pattern, with variations for discipline (such as a posting trot for Hunt Seat riders). Judging will be based on rider's form and connection with horse.

Walk-Trot Trail - To be judged in accordance with APHA rulebook for Walk-Trot Trail with the exception that hunt-seat attire may be worn. Exhibitors will work the designated pattern in the arena individually. Maneuvers may include walk and/or trot over poles, bridge, tarp, work gate, back L, turn-in box, yield front and/or hind end, stand ground tied, pick up hooves, stand for fly spray, mount or dismount, etc.

World Show Challenge, Sweepstakes, Stakes, Futurity & Jackpot Classes

These general conditions apply to all APHA Challenge and Sweepstakes Programs unless otherwise stated in the class conditions. For any situation(s) not covered in these rules, please refer to the Horse Show Rules and/or the current *APHA Rule Book*. All exhibitors and owners must be current members of the American Paint Horse Association.

Conditions

Rules Governing Competition

Challenge or Sweepstakes entries may be shown prior to the Challenge or Sweepstakes classes. All official rules of the APHA or World Show Premium Book will apply to Challenge and/or Sweepstakes classes.

In the absence of specific rules and/or conditions not covered by the Premium Book, the final decision will be governed by the Executive Director and/or the APHA Board of Directors, and all decisions will be final.

Failure to comply with all rules will cause all fees, awards and earnings to be forfeited and entry to be disqualified.

Entry Declaration

All entrants in the 2-Year-Old Western Pleasure, 2-Year-Old Hunter Under Saddle, 3-Year-Old Western Pleasure, 3-Year-Old Hunter Under Saddle, 3-Year-Old Western Pleasure Challenge and 3-Year-Old Hunter Under Saddle Challenge must declare they will be exhibiting in their class by 5 p.m. the day prior to the class in order for the classes to be cut properly and the working order posted. All entries not included in the working order as posted will not be allowed to show.

Registration Papers

Original registration papers or copies are required to compete. Owners or handlers of Challenge and Sweepstakes horses will be required to present original registration papers or photocopy to pick up entry packets.

Change of Ownership

An entry may change ownership and retain eligibility under the new owner. Entry payments must comply with the payment schedule. See Transfer Policy on page 2.

Payout Checks

All prize money will be paid by checks made payable to the recorded owner/lessee at the time class placings are awarded,

(exception: prize money earned in PBRIP Barrel Racing Sweepstakes and mounted shooting will be made payable to the exhibitors.) After the results of all drug tests are received, the checks will be mailed from the APHA office within 30 days.

Exhibitor/Horse Combination

The same exhibitor must show the same horse under all the judges in a class, including preliminaries and finals. Any changes in the exhibitor in between preliminaries and finals may be made only due to accident or illness of the exhibitor and with permission of the Show Management.

Exhibiting Multiple Horses

Exhibitors may show a maximum of five horses and must exhibit the same horses throughout the class unless otherwise stated under specific class conditions. See Rule SC-185.F.

Owners may enter as many horses as they choose.

Non-Pro Eligibility

A Non-Pro must be enrolled in the APHA Amateur or Youth Program and must meet the ownership/lease requirements per Rule AM-020 and YP-015 respectively. In Reining Challenge classes, Non-Pro eligibility is based on NRHA rules.

Electronic Devices

Exhibitors using electronic devices or two-way communication devices inside the show arena or show ring shall be automatically disqualified unless assistance is necessitated under provisions of Rule SC-160.F. and approval by the Board of Directors has been granted.

Tack and Attire

Exhibitors must be required to drop headstalls to be viewed by an appointed representative. Tying or fastening a horse's mouth is cause for disqualification. Refer to the *APHA Rule Book* for appropriate attire and tack.

See individual class rules for specific equipment requirements.

Judging

The Western Pleasure and Hunter Under Saddle Challenge and Sweepstakes classes will be judged in one go-round. Five judges will be used dropping the high and low placing to determine the final placings of the class, unless specified otherwise. If cuts are necessary, there will be a specific number of cuts, taking a specific number of

World Show Challenge, Sweepstakes & Jackpot Classes, continued

horses out of each cut to result in a minimum of 15 horses going back to the finals.

The Reining and Working Cow Horse Challenge classes will be judged by five judges with the high and low scores dropped.

Decisions of the judges are final, and entries will be accepted only on this condition.

Ties

In the event of a tie in the preliminary round for 15th place, all horses tied for 15th will be brought back to the finals in the scored classes. Tie-breaker judge's placings will be used in placed classes.

All ties for first place in the finals round in Reining and Working Cow Horse classes will be broken if the tied exhibitors agree to a run-off. If the tied exhibitors choose not to run-off, the exhibitors will be named co-champions and the prize money from their placings will be split equally between the tied exhibitors. The winner of the physical awards will be determined by a flip of a coin. However, when one exhibitor opts to run-off and the other does not, the exhibitor(s) who declines to run-off will forfeit first place to the other(s).

In the event of any other ties in the finals round, the prize money of the tied places will be added together and split equally between those horses tied.

Ties in placed classes will be broken by the tiebreaker judge's placings.

Payouts

The total purse for each Challenge and Sweepstakes class will be the sum of all entry fees (excluding the office charge, cattle charge, partial payments, late fees and trophy fees if applicable) and the money added by Show Management. In the Reining Challenges, the 5% NRHA show fees and the following trophy fees will be deducted from the purse: Levels with \$2,000 or more added - \$605 NRHA trophy fee, Levels with \$1,000-\$1,999 added - \$425 trophy fee and Levels with \$500-\$999 added - \$290 NRHA trophy fee.

Stall Information

Stall Information

All horses entered in the World Show must have a stall. Stall assignments are prioritized in the following order: 1) World Show sponsorship level and date paid; 2) First come, first paid basis.

All stall reservations and payments must be submitted, postmarked or received in the APHA office by May 15, 2024 in order to avoid late fees.

Sponsorship forms and payment must be received by May 15 in order to receive stall and RV priority benefits included in the sponsorship packages.

Note: Priority within each sponsorship level is based on date sponsorship payment is received, so the sooner it is received by the APHA, the better opportunity for receiving preferred placement. The individual cost of the stalls is in addition to the sponsorship amount. Individual stall reservation forms detailing horse information and tack stalls, etc. must be submitted in addition to the sponsorship form.

Stall Priority

- Priority stalling will be given to World Show sponsors, prioritized by the sponsorship level and then date sponsorship payment is received by the APHA. Specific stall location within a barn is not guaranteed.
 - The sponsorship levels determine priority stall placement – gold sponsors will receive 1st priority for placement, silver sponsors will receive 2nd priority for placement and bronze sponsors will receive 3rd priority for placement.
 - The sponsorship levels do not guarantee or restrict an individual to a specific barn. The sponsorship just determines priority for placement in the exhibitor's barn of choice.
 - Sponsors will provide their choice of barns ranked in order of their preference. Based on the level of sponsorship, they will be assigned to the barn they choose if still available in the order of their sponsorship level: 1) Gold Sponsors, 2) Silver Sponsors and 3) Bronze Sponsors.

- Priority within each sponsorship level will be based on date sponsorship payment is received. Stall placement is based on availability and cannot be guaranteed.
- The sponsorship does not allow exhibitors to choose the exact stall location, just the choice of the barn they wish to be stalled in.
- **Note: Priority within each sponsorship level is based on date sponsorship payment is received, so the sooner it is received by the APHA, the better opportunity for receiving preferred placement.** The individual cost of the stalls is in addition to the sponsorship amount. Individual stall reservation forms detailing horse information and tack stalls, etc. must be submitted in addition to the sponsorship form.
- Once the sponsors' stalls are assigned, then the remainder of stall reservations will be assigned based on a first come, first paid basis. A lottery system will be used to prioritize all remaining reservations received on the same date, requesting the same barn. Specific stall location within a barn is not guaranteed.
- If additional stalls are needed for a previously submitted reservation after the May 15 deadline, the same location for the additional stalls is not guaranteed.
- Stall reservations will not be considered complete until payment has been received and will be subject to the appropriate fees based on the date payment is received.

Stall Agent

The stall agent is considered the responsible party for all stalls listed under his/her name and is subject to and bound by all rules as outlined in the APHA World Show premium book. Stall payments and reservations may be made individually; however, accuracy of information pertaining to the stall agent is the responsibility of the exhibitor. Those wishing to be stalled with trainers or another exhibitor must be sure to list the exact same name for the stall agent on the stall reservation forms.

Tack and Other Stall Rules

If ordering a tack stall for more than one person, all tack stalls must be paid for by one exhibitor. Stalls may be used only to house horses and tack. **Any other commercial uses are strictly prohibited.**

While fans are allowed, for safety reasons, air conditioners are prohibited in the stalling area. Also, any fabric or paper used or draped in stalls must be fire-resistant or treated with a flame retardant.

Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer.

Stall(s) cannot be resold unless the sale is approved by Show Management.

Exhibitors/trainers are expected to be considerate of their fellow participants and to avoid impeding the flow of traffic down barn aisles. Do not block aisles with curtains, aisle doors or cross-ties at any time.

Bedding

Bedding is not included in the stall fee and must be purchased from the Will Rogers Memorial Center. The cost for shavings is \$9 per bag (small/loose flakes) or \$13 per bag (blended/compressed flakes).

Shavings will be for sale through the WRMC Shavings Office located in the Barn 4. Will Rogers Memorial Center staff will deliver shavings to stall areas. Bedding must be purchased on the grounds.

As a service to expedite move-in, advance bedding orders will be accepted by the APHA. Complete the Advance Bedding Order portion of the Stall Reservation Form to place your order with the APHA. **All advance bedding orders must be placed by June 19 and must be paid for at the time of ordering. Minimum of 50 bags per order required.** Any orders for less than 50 bags will need to be placed onsite with WRMC upon arrival at the show.

Panel Removal

Stall panels in the Burnett Building **may not be removed per Will Rogers Memorial Center.** In all other barns, a fee of \$15 per panel that is removed will be charged by WRMC regardless if the stall panel is returned to its original location prior to departure.

Soiled Bedding

Exhibitors are required to keep their stalls clean and neat, to dispose of refuse matter in designated dump areas, and remove all items and materials erected by them, including tack, stall decorations

and all signs.

Stall Decorations

Please limit end-of-aisle decorations to 42 inches deep and allow at least a 7-foot height clearance over aisles for equipment. WRMC asks that a covering, such as plastic, be placed underneath any groundcover or plants. Decorations must be attached using temporary setups, such as wire or plastic ties, and removed prior to moveout. The following may NOT be used: nails, liquid nail, bolts, screws, rubber cement, etc. Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer. Any fabric or paper used or draped on stalls must be fire-resistant or treated with fire retardant.

Changes/Refunds

Changes to stall reservations are possible if you are flexible. If you reserve stalls for a portion of the show and later decide to come early or stay late, it may be necessary for you to move to another area to accommodate your request. If you change trainers, every attempt will be made to put you in the same barn. Finally, if you decide to cancel your stall reservation by June 1, you are entitled to a refund of the horse's stall fee, minus 20% per stall office fee. Absolutely no stall fees will be refunded after June 1.

 - The sponsorship does not allow an individual to choose the exact RV space location, just guarantees a space in North Red Lot if available.
 - Priority for a space in North Red Lot is based on date sponsorship payment is received and availability and cannot be guaranteed. If space is no longer available in North Red Lot, a space in a secondary location will be provided.
- Priority RV placement will be given to World Show sponsors, prioritized by the sponsorship level and then date sponsorship payment is received by the APHA. General Rules and Regulations

This show will be run in compliance with the *2024 Official APHA Rule Book* and supplements except as may be otherwise stated on the following pages.

The management reserves the right to decline any entry before or during the show without liability for compensation for reasons such as checks written with nonsufficient funds, stopped payment on check, poor sportsmanship, inhumane treatment of horses, harassment of judges, officials, secretaries, ring stewards, employees, and/or any other authorized representative of the show.

Sportsmanship/Conduct

“For when the One Great Scorer comes to mark against your name, he writes—not that you won or lost—but how you played the game.” (Grantland Rice)

One of the primary objectives of the American Paint Horse Association is to encourage high moral character and good sportsmanship among its members while at the same time inspiring exemplary conduct in all phases of competition and instilling a sense of fairness and responsibility for the rigors of showmanship as well as the greater issues of life.

Negative conduct, including harassment, bullying, or any other form of unsportsmanlike conduct will not be permitted by the APHA, and any person engaging in such action or conduct will be disciplined to the full extent permitted by the APHA rules. Unsportsmanlike or irresponsible conduct or any other form of misconduct that is illegal, indecent, profane, intimidating, threatening, harassing or abusive is prohibited. The APHA will not tolerate such behavior and violators will be excused from competition and/or removed from the show grounds and are subject to further disciplinary action.

Anti-Bullying Statement: Everyone has the right to work and show in an environment free from harassment or bullying where they feel safe. The stress placed on targets of bullying have far reaching effects on the emotional health and well being of the victims and on the organization in which it occurs. Bullying can be physical, verbal, written, cyber acts or merely psychological. Incitement of others to such acts is also bullying. The APHA expressly prohibits the bullying of any person by any means at any apha function or APHA related function.

Good Sportsmanship Rules: Good sportsmanship is not just what you do in the arena, but the way you conduct yourself both in and out of the arena.

1. The “Golden Rule” – Do unto others as you would have others do unto you. Show respect for your opponents if you expect it yourself.
2. Have an understanding and an appreciation of the rules. The spirit of good sportsmanship depends on conforming to the intent of the rules.
3. Enjoy yourself and encourage enjoyment for others.
4. Take responsibility for your actions.
5. Recognize and appreciate good performances, especially by the opponent.
6. Respect the integrity and judgment of the judges and show officials.
7. Expect proper behavior from your teammates, trainers, family and friends.
8. Accept both victory and defeat with pride and compassion.

Horse Show Rules, continued

APHA Employees

Employees/Contract Labor: Any full time person employed by APHA, or contracted for any portion of the horse show, or any of their legal wards, are ineligible to exhibit in any portion of the World Show.

Final Interpretation of Rules

The FINAL RIGHT to settle all questions or disputes arising during the Horse Show is reserved by the Show Management and all exhibitors, trainers, riders, or other participants therein, as a condition of admission, give unqualified consent to such methods of settlement and agree in advance to be bound thereby. In the absence of a specific rule and/or conditions not covered by this Premium Book, the final decision will be governed by the Board of Directors, and all decisions are final. Failure to comply with all rules will cause all fees to be forfeited and entry to be disqualified.

All rules listed within this Horse Show Rules section pertain to every class of the Youth or World Show, including all Challenge and Sweepstakes classes.

APHA Rule Variances

SC-110.I - Announce placings through 6th place under each individual judge in halter and rail classes. In all other scored and timed classes, individual judge's placings will not be announced in the arena. All judges' scoresheets will be posted for these classes.

SC-175.M.4 - Grand and Reserve Champions are not awarded in halter.

Liability

See APHA Rule GR-045 and GR-050. This release of liability includes the Chamber of Commerce and the Horse Show Facility, the City Government or their officers and directors. Officials and employees will not be responsible for any accident that may occur to, or be caused by, any horse exhibited at the APHA World Show, or for any article of any kind or nature that may be lost or destroyed, or in any way damaged. Each exhibitor is responsible for any injury or illness that may be occasioned to any person or animal, or damage to any property while on the grounds, by any horse owned or exhibited by or in his or her custody or control, and to indemnify and hold harmless the

American Paint Horse Association, Chamber of Commerce, the City Government, the Horse Show Facility, or any other sponsoring organization, if any, from and against all claims, demands, cause of accident, injury, illness, or damage to person or property caused by the ownership, exhibition or custody, or control of any animal exhibited. This expressly includes, but is not limited to, injury or illness resulting from exposure to COVID-19, or any other communicable virus or disease.

Force Majeure

The APHA reserves the right to cancel, re-schedule or rearrange any class or event, or part thereof, when such action is necessitated by an act of God, fire, hurricane, flood, tornado, earthquake, pandemic (including but not limited to COVID-19), government shutdown or other event or circumstance that is beyond the control of show management. The APHA will not be liable to any person or entity for damages of any kind whatsoever, which relate in any manner to, or arise out of, such cancellation or rescheduling.

Any cancellation, rescheduling or rearrangement due to a force majeure event as defined herein shall not result in the termination of this Agreement, and shall not require the return of deposits or other funds paid by Exhibitor to date unless rescheduling or rearrangement is deemed impossible by APHA, in its sole discretion, within one (1) year of the date of the originally scheduled event. Exhibitors will not have grounds to terminate or suspend obligations due hereunder on account of force majeure unless or until APHA notifies Exhibitor of its determination that rescheduling or rearrangement is impossible within one (1) year of the date of the originally scheduled event ("Notice of Impossibility"). In such event, Exhibitors who wish to terminate this Agreement must notify APHA in writing in accordance with the Notice provisions herein within thirty (30) days of receipt of any Notice of Impossibility to obtain a refund. Failure to adhere to this requirement will result in waiver of all rights to return of funds paid to date for the Event.

Notice required here under must be provided in writing and delivered 1) via email,

and 2) via certified First-Class U.S. mail or other carrier permitting confirmation of delivery as follows:

APHA Points

Five sets of APHA points will be given in all APHA-approved Youth, Novice Amateur, Amateur Walk-Trot, Amateur and Open events offered. APHA points will be awarded based on each of the judges' final placings.

World Show points do not count towards year-end award standings or Breeders' Trust payouts, effective January 1, 2016.

Administrative Fee

There will be a one-time administrative charge, which includes the drug-testing fee, for each horse entered. This fee is assessed only one time per horse regardless of the number of classes in which the horse is entered, including Breeders' Futurity Classes and is non-refundable.

Adding Classes

Individuals may add a class until 5 p.m. the day before the class they wish to enter by paying the late fee.

Alleyway Procedure

Grooming is prohibited in these areas including, but not limited to, any type of spraying. **Barn calls are a courtesy and will be made for each class and for all exhibitors entered in each class. Regardless of the circumstances, it is the exhibitor's ultimate responsibility to report to their class on time.** Exhibitors must check in with the paddock. The paddock will call exhibitors to enter the arena in their posted order of go. See Working Orders for more details.

Amateur/Novice Amateur Eligibility

An Amateur, Novice Amateur or Amateur Walk-Trot exhibitor must have a current APHA Amateur/Novice Amateur/Amateur Walk-Trot Card and must meet the ownership/lease requirements. See

Rules AM-010, AM-015, AM-020, AM-205, AM-210 and AM-300.

Arena Gate Calls

All horses must be ready and waiting in the paddock so they may enter the show arena promptly when called.

In classes in which an order of go has been posted, entries not entering the arena for judging in their posted order of go are considered to have missed their class and will not be allowed to enter the arena to compete.

In classes in which a time limit has been given to enter the arena, entries not in the arena at the expiration of that time limit are considered to have missed their class and will not be allowed to enter the arena to compete.

By action of the APHA Board of Directors, the time limit of final gate calls is one minute and this will be publicly announced.

Late exhibitors will not be admitted into the arena once the gates have been closed and the judges have started to judge. See Rules SC-175.B and SC-185.C.

Assistance

Exhibitors are not allowed any physical assistance in the arena, once they have passed the plane of the entry gate, unless specified by specific class rules or by written request as specified in SC-160.F.

Awards Presentations

No children under the age of 8 years old may participate in any awards presentations in the arena when horses are present.

Cancelled Classes

A class will be held for a minimum of three years before it will be considered for cancellation. If after three years, a class does not meet the six entry minimum requirement, it will be considered for cancellation in subsequent years.

Cash-Only Members/Customers

The APHA policy regarding advance payment by certified funds will be in effect during the World Show for those members previously notified or as warranted by APHA.

Horse Show Rules, continued

Check Cashing Policy

The Horse Show Office is unable to cash checks at any time during the show.

Class Patterns

Patterns will be available in the Horse Show Office and on the World Show website.

Class Procedures

The APHA has established class procedures to benefit the majority of exhibitors participating, within the limits of the available budget, manpower and time.

Commercial Exhibit Information

Exhibitors will not be allowed to sell retail items from their stall locations. In addition, no show clothing and/or equipment resale is allowed at the world show. Exhibitors wishing to sell retail items must purchase gift show space from the APHA, pay all applicable fees and are subject to abide by a contractual agreement between the APHA and said vendor. Any individual found selling commercially will be fined a penalty fee equal to the rental cost of a vendor space.

DNA Testing

All class winners and other randomly selected entries will be DNA-tested at the total discretion of Show Management and at the expense of APHA.

Disqualification

Any exhibitor, horse or owner disqualified from a class for any reason will not receive a refund. When disqualification by Show Management, Judges or any Show Official occurs, the decision is final. In addition to other disqualifications as outlined in the rules and regulations contained in the *Official APHA Rule Book*, judges (including equipment judges) and/or Show Management shall have the authority to disqualify entries for illegal equipment, inhumane treatment or the presence of blood on the horse. The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused. Judges and/or Show Management may disqualify an exhibitor and/or horse from competition for any condition considered unsafe. See Rule SC-160.H.2.

Drug Testing

A horse cannot be shown in any class if that animal has been administered a prohibited substance in any manner. Prohibited substances are those set forth in the current *APHA Rule Book*. See Rule SC-085. A medication report must be filed with Show Management (in accordance with the rule) when conditionally permitted substances are used.

Tests (urine and/or saliva and/or blood) for medication shall be made in compliance with the current *APHA Rule Book* in any event, at the total discretion of the judge(s), veterinarian(s), Show Steward(s) or Show Management.

Full cooperation with the APHA representative is required. Failure to do so shall be considered a refusal and subject to disciplinary action.

Electronic Devices

Exhibitors using electronic devices or two-way communication devices inside the show arena or show ring shall be automatically disqualified unless assistance is necessitated under provisions of Rule SC-160.F. and approval by the Board of Directors has been granted.

Eligibility

Eligibility of the horse and/or exhibitor is the exhibitor's responsibility. If a horse or exhibitor is found not to be eligible for a class after they have competed, they will be disqualified from that class.

Entries

All entries must be submitted on forms furnished by the APHA (copies of the printed forms will be accepted) or through the online entry form, signed by the proper parties, and accompanied by all entry fees, drug and processing fees and a completed W-9 for the current owner or in the case of multiple owners, that of one of the current owners listed on the Certification of Registration. One entry form is required per horse.

Exhibitors are responsible for any errors on their entry forms. Entries lacking sufficient information or not accompanied by all required fees will not be accepted. **Entries and/or any changes**

to entries must be submitted in writing.

Entries and/or any changes to entries will not be accepted by telephone. The APHA is not responsible for lost or late entries.

The IRS requires the APHA to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). The social security number listed on this form should be that of the current owner or in the case of multiple owners, that of one of the current owners listed on the Certificate of Registration. No other social security number is acceptable. If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. Payout checks will not be issued until the APHA has a W-9 on file for all persons receiving these checks. This information must be provided to the APHA regardless of the age of the owner. Your exhibitor packet will be held if this form is not submitted.

Social Security numbers must be provided for individuals. If the horse is owned by an individual versus a farm/ranch, taxpayer identification numbers for businesses will not be accepted in lieu of a social security number for the individual owners. International residents must complete IRS Form W-8BEN.

Exhibitors are responsible for verifying that entries have been received in the APHA office. If you fax entries, please DO NOT send the originals in the mail. If you fax entries or stall reservations, please keep a copy of the fax transmittal for proof of date and time faxed.

Entry Deadline

All pre-entries must be submitted online or postmarked by May 15, 2024 in order to pay pre-entry fees. Entries will be accepted after this date with a post entry fee. Post entries must be made by 5 p.m. the day prior to when the class to be entered is scheduled. No exceptions will be made.

Only postmarks from an official U.S. Post Office are acceptable (postal meters are not acceptable) and used in determining any and all deadlines regarding entries,

cancellations, etc. Any entry deadline that falls on a day the U.S. Post Office is not open for business shall be due as follows:

- A postmark on or before midnight of the next business day immediately following the entry deadline is acceptable.
- Postmark dates on registered or certified mail will be accepted.

Entry Numbers

To ensure that your placings are accurate, it is essential that the correct entry number is used for all classes. Failure by exhibitor to display the correct number in a visible manner while being judged shall result in disqualification from the class. See Rule SC-160.H.

Entry numbers will be assigned to each horse, not the exhibitor. This number will be used for all classes in which the horse is entered. In the event a horse is entered in more than one division (open, amateur or youth), only one entry number will be issued for each horse.

Entry numbers must not be altered, cut or folded. Handling entry numbers in that manner will result in the exhibitor being excused prior to the judging. Note: Horses must be positively identified prior to laminating of entry numbers.

- In Halter classes - Entry numbers must be worn on the exhibitor's back.
- In Western and English classes - Entry numbers must be worn on both sides of the horse. Exception: In timed events, all cattle events, ranch horse classes and reining, entry numbers must be worn on one or both sides of the horse.
- In Over Fences classes - Entry number must be worn on the exhibitor's back. Exception: Hunter Hack - number must be worn on both sides.
- In Pleasure Driving classes - Entry number must be displayed on both sides of the cart.

Equipment Judge

An equipment judge(s) shall be employed by and be a representative of the APHA. The equipment judge shall be responsible for attire and equipment rule interpretations. Final interpretations are the responsibility of Show Management. All bits, tack, appointments, and attire

Horse Show Rules, continued

shall be checked by the equipment judge prior to entering the arena. Any equipment considered to be inhumane or illegal by the official equipment judge must be removed or entry into the arena will be denied. The equipment judge may disqualify an entry for illegal equipment or attire, inhumane treatment or the presence of blood on the horse. The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused.

Equipment cannot be changed between a preliminary and a finals. Once equipment has been checked by the equipment judge, equipment cannot be changed unless checked again by the equipment judges.

The equipment judge(s) shall have the authority to call for a blood and/or urine test on any horse.

The equipment judge(s) may serve as an official alternate judge at the discretion of Show Management.

Exercise Schedule

Daily availability of the John Justin Arena, W.R. Watt Arena and Will Rogers Coliseum will vary. Every effort will be made to ensure that one exercise arena is available on a 24-hour basis. Exercise schedules will be posted on a daily basis. Paid practices will be offered for Trail, Over Fences, Western Pleasure, Hunter Under Saddle and Reining. No longeing will be allowed in the arenas stated above. Longeing areas will be designated and should be closely followed.

Exhibitor Agreement

The condition of submitting entries, or the first entry into the show ring of a horse or exhibitor, will be deemed acceptance of the rules set forth in the current year Premium Book and *APHA Official Rule Book*.

Exhibitor/Horse Combination

The same exhibitor must show the same horse under all the judges in a class, including preliminaries and finals. Any changes in the exhibitor in between the preliminaries and finals may be made

only due to accident or illness of the exhibitor, and with permission of the Show Management.

Exhibitor/Spectator Cooperation

All individuals are expected to cooperate with Show Officials at all times. Any individual who is delinquent in his responsibility in this area may be, along with his horse(s) or exhibit(s), excused from further competition and/or removed from the grounds. That individual will forfeit all previous winnings, entry fee(s) and other fees. See rules SC-070, GR-040.C, GR-060.D, YP-080.L.1.

Failure to Compete

All entries in all events are required to compete under all designated judges of the World Show in order for results to be tabulated in the finals.

Fall of Horse or Rider

In performance classes, the fall of horse or rider while in the arena shall be cause for disqualification in that class. A horse is considered having fallen when he or she is on their side and all four feet are extended in the same direction. Rider is considered to have fallen when he or she is not astride. Exception: see Rule SC-265.H.5.I. In barrel racing, pole bending and stake race, an exhibitor will be given a no time if the horse or rider falls during the run in such a manner as to break the pattern, or if the rider falls off the horse. If exhibitor falls off the horse after run is completed and after crossing the time line, the time remains valid.

Finals

In those classes having a finals competition, horses selected to compete in the finals will be determined by the judges. All horses selected by the judges will be invited to compete in the finals. The same exhibitor that showed the horse in the preliminaries must show the horse in the finals. All exhibitors in the finals competition will be judged on the merit of their performance in that competition.

Equipment cannot be changed between a preliminary and a finals. Once equipment has been checked by the equipment judge,

Horse Show Rules, continued

equipment cannot be changed unless checked again by the equipment judges.

Health Requirements

No horse will be allowed to show without the following:

- **Health Certificate** – Issued no earlier than June 7, 2024 by a licensed veterinarian from the state of origin and showing positive identification of the horse. This certificate should show the animal to be free of any communicable or infectious diseases. This certificate should comply with all USDA standards
- **Negative Coggins** (Equine Infectious Anemia) – Dated no earlier than July 7, 2023. See page 2 for Health Check-In Procedures.

Make sure the veterinarian uses registered names on the health and Coggins certificates rather than “barn names.” If current Coggins, health papers and the Certificate of Registration are not available, the horse will not be allowed to compete and entry fees will be forfeited. All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease.

Only finalists will be required to work the rail.

Inhumane Treatment

The APHA is committed to the humane and proper treatment of all animals. The welfare of the animal is the primary consideration in all activities. Animals will be treated with kindness, respect and compassion at all times. Owners, exhibitors, trainers and all responsible parties must ensure the health and well being of animals in their care at all times including, but not limited to, handling, transportation, training, treatment and stalling.

Per Rule SC-075 of the *Official APHA Rule Book*, no person on show grounds, including but not limited to, barns, stalls, parking area and show arena may treat any animal in an inhumane manner, which includes but is not limited to:

1. Placing an object in a horse's mouth so as to cause undue discomfort or distress;
2. Tying a horse in a manner as to cause undue discomfort or distress in a stall, trailer or when longeing or riding;
3. Letting blood from a horse;
4. Use of inhumane training techniques or methods; poling or striking horse's legs with objects (i.e. tack poles, jump poles, etc.); Elevated logs must be round and elevated no more than 12" in a standard block or cup.
5. Any item or appliance that restricts the movement or circulation of the tail;

Judges will automatically video review runs in scored classes that lack concurrence when major faults, severe faults, disqualifications, zero scores or no scores are involved. Judges will only review the maneuvers where a lack of concurrence exists between the judges and only that penalty score can be changed. Lack of concurrence concerning non-major penalties will not be reviewed and cannot be changed once submitted.

The video footage used for judges reviews will be provided by the official show videographer only and not from any other source.

No judge shall be required to change his/her score following a video review. Each judges' decision is an individual call.

All classes are subject to review. Exhibitors and/or owners cannot request a review.

Exhibition of a horse that is obviously lame as determined by show judges in any class shall be cause for disqualification. See Rule SC-160.M for complete rules regarding lameness.

The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused.

All horses exhibiting at the World Show are subject to verification of the qualifying area. If the qualifying area is not readily visible, or if it is marginal in size, or changed in size or appearance from the original file photographs, an inspection will be required.

Inspections will be performed by designated APHA representatives. In the event the qualifying area does not meet registration requirements, points, titles, or awards are tentative until additional investigative actions can be completed, up to and including Board of Directors action.

A horse whose potential qualifying area is found to contain an unnatural marking will have its Regular Registry certificate canceled.

The Horse Show Steward, Executive Director or Show Management may, at their discretion, refuse to allow a horse to participate if the registration of the horse appears invalid or otherwise improperly issued.

Tabulation for Final Standings/Preliminaries

Placed Classes (Halter & Rail): In placed classes that require preliminary rounds, each judge will place up to 11 horses from each preliminary round. The numerical scores for placing will be determined using the following scale:

1st Place—120 Points	9th Place—28 Points
2nd Place—105 Points	10th Place—21 Points
3rd Place—91 Points	11th Place—15 Points
4th Place—78 Points	12th Place—10 Points
5th Place—66 Points	13th Place—6 Points
6th Place—55 Points	14th Place—3 Points
7th Place—45 Points	15th Place—1 Point
8th Place—36 Points	

In preliminary rounds, the highest and lowest placing of each horse will be discarded determining the total combined points. A specific number of horses (as determined by the total number of entries in the class) with the highest total combined points under judges will return to the semi-finals or finals. A minimum of 15 horses will be brought back to the finals. (Exception: Showmanship, Horsemanship, Equitation and Pleasure Driving). If cuts are necessary, there will be a specific number of cuts, taking a specific number of horses out of each cut to result in a minimum of 15 horses returning to the finals. Placings from preliminary rounds or semi-finals will not be considered in determining World Champions.

In the finals, judges will place 15 horses. World Champions will be determined by discarding each horse's highest and lowest placing. The three remaining placings will then be totaled using the accompanying scale. The horse earning the highest number of points will become the World Champion, second-highest will be Reserve World Champion, etc.

Scored Classes (Reining, Working Cow

Horse, Cutting): In preliminary rounds, the highest and lowest score of each horse will be discarded determining the total combined score. A minimum of 15 horses— from each preliminary round— with the highest total combined points under judges will determine the entries for the semi-finals or finals. Scores from preliminary rounds or semi-finals will not be considered in determining World Champions.

In the finals, judges will place 15 horses. World Champions will be determined by discarding each horse's highest and lowest score (a "no score" is considered a low score). The three remaining scores will then be totaled. The horse earning the highest combined score will become World Champion, second highest will be Reserve World Champion, etc.

Scored Converted to Placed Classes

(Showmanship, Horsemanship, Hunt Seat Equitation, Longe Line, Western Riding, Trail, Roping & Ranch): In these classes, patterns will be scored. The highest and lowest placing of each exhibitor

will be discarded determining the total combined points. A specific number of exhibitors with the highest total combined points under judges will return to the semi-finals or finals. There will be no less than 15 horses in the finals.

Classes with less than 40 entries will be completed in their entirety in the time slot designated for the preliminaries. No finals will be held. Preliminary pattern will be used in this instance.

Classes with 77 or more entries will have semi-finals to determine a minimum of 15 finalists.

The following chart outlines the number of entries selected for the finals based on the total number of entries in the class.

Entries	# Cuts	Semi-Finalists/ Finalists
30-44	2	16 to Finals
45-66	3	18 to Finals
67-76	4	20 to Finals
77-86	4	24 to Semi-Finals
87-110	5	25 to Semi-Finals
111-120	6	30 to Semi-Finals

Arriving and departing horse trailers and vans will be allowed 15 minutes for unloading and loading, and then must move to the designated parking areas.

Non-Smoking Facility

No smoking is allowed in any building on the Horse Show Facility. Smoking is allowed only outdoors.

Paid Parking Facility

The Will Rogers Memorial Center is a paid parking facility. All vehicles and trailers on the Will Rogers property will be required to pay to park in all facility lots. Passes may be purchased upon arrival.

Car, pickup, van, and trailer parking will be designated. Please park in these areas only. Violators will be towed away.

Portable Cooling Systems/ Electrical Requirements

For stalling, please follow these guidelines provided by the WRMC staff:

- The only portable water-cooled fans allowed must meet the power requirements outlined below and have a self-contained water source. The larger fans that require a continuous water source and have higher power requirements may be used in the Multi-Purpose and Moncrief stall area only.
- There are 5 amps of power available to every stall in the Richardson-Bass and Burnett Buildings. This will basically accommodate one box fan. Multi-plug devices will not be allowed (i.e. plug strip). Only one cord may be plugged into each single outlet. Only extension cords with appropriate GFCI

protection will be allowed. Extension cords and power strips may not be used to operate multiple appliances simultaneously.

- No small air conditioners, heaters, or margarita machines are allowed in the stalling areas. We have limited electrical use; we must provide power to all exhibitors for fan use. If a small air conditioner or heater is reported, it will be turned off immediately and the owner will be asked to remove it.
- Post hydrants are available for exhibitor use at the end of each row of stalls. These may not be left on indefinitely. They must be turned off after each use. They may not be connected to portable water-cooled fans, misting systems, etc., which require a continuous water supply.

Recreational Vehicle Hookups

Limited space is available and must be reserved in advance. See reservation form for full details.

Signs, Posters, Etc.

If any promotional material placed on any of the Horse Show Facility's property defaces or destroys the property, parties responsible may be charged for the cost of having the property repaired or replaced.

Stall Decorations

Please limit the end-of-aisle decorations to 42 inches deep and allow at least a 7-foot height clearance over aisles for equipment. WRMC asks that a covering, such as plastic, be placed underneath any groundcover or plants. Decorations must be attached using temporary setups, such as wire or plastic ties, and removed prior to moveout. The following may NOT be used: nails, liquid nail, bolts, screws, rubber cement, etc. Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer. Any fabric or paper used or draped on stalls must be fire-resistant or treated with fire retardant.
