Lara Parker & Zippin On A Scotch

"The Intermediate division allowed me to enter a class knowing I could compete with others who had never won a world championship in that class. It made it less intimidating to show and compete at the World Show. It's an excellent division to draw varied competition to the World Show. The first year I showed I wasn't sure what to expect. The second year, I won the Intermediate division as well as the world championship—a dream come true!" —Lara Parker
